

LAYA SADHANA PERUNGULAM KANAKA

layasadhana07@gmail.com | +91-9392620517 | [Linkedin](#) | [Github](#)

PROFESSIONAL SUMMARY

Computer Science undergraduate with experience building full-stack web applications and AI-powered solutions. Skilled in web development, REST APIs, database management, and problem-solving. Committed to building scalable, reliable, and user-centric software solutions.

EDUCATION

Bachelor of Technology in Computer Science Engineering

2023 – 2027

Vasireddy Venkatadri Institute of Technology, Guntur

SKILLS

Programming Languages: Java, Python

Web Technologies: HTML, CSS, JavaScript, React.js, Node.js, Express.js

Database: SQL, MongoDB

Backend and Integration: REST APIs, JWT Authentication

Tools and Platforms: GitHub, MS Excel

PROJECTS

HealthGuide AI — AI-Powered Health Assistant for Personalized Lifestyle Recommendations

React • Django • PostgreSQL • ChromaDB • LlamaIndex • Google Gemini | [Github Link](#)

- Developed an AI-powered healthcare platform using Retrieval-Augmented Generation (RAG) to deliver personalized, evidence-based lifestyle recommendations.
- Built a RAG pipeline with ChromaDB, LlamaIndex, HuggingFace embeddings, and Google Gemini for context-aware, personalized responses.
- Implemented a Django REST Framework backend with JWT authentication, health profiles, RESTful APIs, and an AI chat system.

PrintEase — Online Document Printing & Delivery Platform

React • Node.js • Express.js • MongoDB • Tailwind CSS | [Live Demo](#)

- Developed a full-stack document printing and delivery platform with secure JWT authentication, role-based access control, and RESTful APIs for end-to-end order management.
- Integrated geolocation-based print center discovery, real-time order tracking, and delivery workflow management to streamline the printing experience.
- Built responsive interfaces for students, print centers, and delivery partners to simplify document printing and delivery workflows.

CERTIFICATIONS

- Oracle Certified Agentic AI Foundations Associate
- Oracle Certified AI Foundations Associate
- Amazon Web Services Cloud Foundations
- Introduction to MS Excel – Simplilearn

VOLUNTEERING EXPERIENCE

Academic Support Volunteer – Make A Difference (MAD)

July 2023 – April 2025

- Guided students through academic mentoring while fostering consistent learning habits and educational development.
- Collaborated with volunteers to coordinate lessons, monitor progress, and deliver effective academic support.
